ORDER:

The Engineer-in-Chief (Public Health), Hyderabad vide reference 1st read above submitted that the Government of India have invited proposals under UIDSSMT from the districts where no scheme was sanctioned in the earlier spells, duly restricting the central share to Rs.25.00 crores. Accordingly, a proposal was prepared by the Khammam Municipality for strengthening the existing water supply scheme for Rs.36.00 Crores and submitted for approval of State Level Sanctioning Committee under UIDSSMT and the same was approved by SLSC but not cleared by the Govt. of India so far. During the review meeting on JNNURM works held on 29-7-2010, the then Hon'ble Chief Minister has issued instructions to take up the works which were approved by State Level Sanctioning Committee {SLSC} but not cleared by Govt. of India under UIDSSMT. Accordingly the proposal for Khammam WSIS which were approved by the 5th SLSC but not cleared by Govt. of India were submitted to the State Government duly revising project cost for Rs.4450.00 Lakhs with rates of 2010-11 S.S.R. for according administrative sanction under State Government / Centrally sponsored schemes or under any suitable scheme. Further, the MD, APUFIDC vide reference 2nd read above have requested to submit the revised proposal to Government for the Tandur scheme duly incorporating the following information.

1. The defect liability period for Tandur scheme shall be calculated for a period of two years from the date of completion of the project.
2. The O & M plan for a period of 5 years after completion of the defect liability period shall also be considered for the projects and included in the tender.

2. The Engineer-in-Chief (Public Health), Hyderabad has further submitted that the revised proposals prepared for an amount of Rs.7410.00 lakhs with the following components and requested the Government to accord administrative sanction for an amount of Rs.7410.00 lakhs for Tandur Water Supply Improvement Scheme either from the State Government Schemes or centrally sponsored scheme under any suitable scheme.

- | | |
|---|---------------------|
| 1. Work component | : Rs.4450.00 Lakhs |
| 2. O&M Plan cost during defect liability period | : Rs .653.00 Lakhs |
| 3. O & M Plan for a period of 5 years after Completion of the defect liability period | : Rs.2310.00 Lakhs. |

3.
